Mr. Ed Eveland, Wilson High School

This year we, the Campanile staff, have decided to dedicate this yearbook to Mr. Ed Eveland, because of his never ending love and spirit for Wilson.

A dedication seems only appropriate, since Mr. Eveland has been so dedicated to Wilson. He has been a teacher, friend and principal to Wilson. His spirit is evident at many of our sports events and other activities through the years, cheering us on in our quest for victory.

Mr. Eveland has recently achieved a victory of his own. His dream was to see the Campanile Tower stand proudly once again and ring a welcome to all. With some help of Booster Club and private donations, it became a reality.

Once again, a warm-felt bearhug to our beloved principal for all his care, love, and support.

by Tricia Krause

50 YEARS LATER

After a 50 year absence, the Campanile Tower has returned to Wilson. The 1933 earthquake did extreme damage to Wilson, including the destruction of our Wilson trademark, the Campanile Tower.

With a donation of \$10,000 from Dr. Frank Blair, the dream of reconstruction became a realistic goal of our principal, Mr. Eveland. Additional support was given by enthusiastic students and staff, the Booster Club, and several alumni and community members who made private donations.

Once Wilson obtained the financial means of reconstructing the tower, the project commenced rather quickly. Today we can hear the beautiful chimes ring out each hour along with the spirited Wilsonia, adding beauty to both Wilson and our community.

From the trantic preparations for the Homecoming Carnival to the slow procession of graduation, a sensation of spirit and pride was always among us. It was the best of times. We laughed and cried at "David and Lisa" and our mighty Bruin band marched on strong. At Homecoming, alumni brought back spirit while students dragged their sleep starved bodies around campus. Yet time wasn't a factor as it flew by all of us. Raillies, music and drama productions, and the Spring Faire fixed our days, and before we know it, our time had run out. before we knew it, our time had run out.

The Best of Times

We've Only Just Begun

For many Senior Bruins, school has become a habit, and one not easily beaten. For twelve years bonds have been made, and now the time has come to loosen some of these bonds.

Sentimentalists, sorry that school is over, looked upon high school as the best time of their lives. Many, on the other hand, were relieved that school had ended. Either way, when that final bell sounded and the chimes were heard for the last time we all realized that some relationships would end.

We are the Class of '84, and have memories unique to our class. A CIF winning water polo team in our sophomore year, chickens in the quad in our junior year, and being the first class in fifty years to graduate with the Campanile Tower behind us are all memories as individual as we are.

Our Voyage Through Time

While most students headed to their seventh period classes, the more athletically minded headed toward the locker rooms Whether dressed in leotards or in football pads, the competitive spirit was brought out in all of us. We fought hard and stayed in games even when it seemed we had lost, and turned many games around in the final seconds

This year our water polo team, as ex pected, won the Moore League title, as did our 'Red Hot Together' volleyball team Our girls' cross-country squad outran our Moore League competitors, and our girls' tennis team aced every serve on the way to their playoff berth. Through our never-ending spirit and our time devoted to practice and more practice, we excelled as never before

Learning Time

year in September, so came some tough new attendance policies. School started at 758, two minutes earlier than last year, and the new tardy policy was in effect If your GPA was below a certain standard, no extracurriculars for you. With so many new policies, our teachers and administrators became public enemies, but that

With the arrival of the school was only on the surface. Deep down we all had our favorites that taught more than the subject or pushed us to our abilities. We II remember each for what they gave us individually, From Mr Woitovich flipping pancakes to Mrs. Whelton and her always helpful attitude, they will be remembered with smiles and memories

Homecoming

Homecoming 83

The morning of October 21, 1983 was a strange one to be sure. Who else but Wilson students expected the band members to serenade teachers and administrators during the wee hours of the night. By 6:00 a.m. our guad was crowded by students decorating booths and the school. Ah, preparations for the Homecoming Faire. Feelings of excitement and spirit could be felt in the cold morning air, it was odd seemingly reserved, sensible students were suddenly transformed into frenzied Bee Boppers and wild greasers, as we prepared for our 50's rockin' rollin. Homecoming

With the help of Mr. Hansen and the Student Council, everything ransmoothly and on schedule, except the Lynns Perrys Pizza truck. The Swim Club had quite a bumpy ride when they heard that all the pizza they ordered had slipped off the

truck onto Appian Way

Another upset: the current trade tion of the Junior Optimist Club win ning the "Best Decorated Booth Award" was abruptly halted when the Pepsters captured this coverted honor for inventing the first ever Cookie Muncher Booth, complete with teeth. Students and Alumni cheered for teams in the tug-of wars The Z Girls colored the campus with banners shouting luck and spirit for the football players, and everyone ate and ate and ate

After the faire, the Rally on the football field was spectacular. Steve Lynn won his third pie eating title, while Julie Cabe became the first girl to enter this prestigious event. Past and present Pepsters reminded alum ni of former Wilson years as the squads performed to "Fight" and 'Victory". Finally as the tension mounted, the Homecoming Court was announced; Jenny Knowlton was crowned 1983 Homecoming Queen at the football game, Brooke Fraser, Senior Princess; Laura Wilson, Senior Princess; Lupe Ramiro, Junior Princess; Michelle Montierth, Sophomore Princess, Our Homecoming Celebration culminated at the game as the fans crowded the bleachers to standing room only Homecoming was a great ex perience, a time to work and a time to play, it was an event to save for the memory books

by Cathy Simpson

Energetic Bruinettes Dazzle All

As the years go by, the Bruinettes keep up and enhance the Wilson tradition of energy filled perfor mances. Even though hot days, sprained ankles, and dragging hours, the seventy four girls gave it their all to perfect their routines. Keeping the girls on their toes and in line was their sponsor Mrs Janet Mason, She has dedicated the past eight years to supporting and keeping up the status of the Wilson Bruinette drill team. The girls rocked to the tunes of "Psychobabble", which was their awesome company front routine, "Rocky", and 'Va va voom." Kristen Fox and Robin Meyer led the Bruinettes with a combination of organization and teamwork. Over all, the girls had an outstan ding year, and deserve a BIG CHEER!

PEPSTERS Perform With Precision =

Second 2 None

We watched the last click of the clock befine the raily began. The bell rang and the drums beat as the Pepsters opened the raily with the traditional "Rock Out." Many students gazed nowe while the Pepsters dazzled the crowd with extraordinary song and that posters.

Plactales everyday though ut the summer and school year really paid aft for the Pepsters. Their energy and enthus asmigliowed throughout picnics, track routines, rallies, parades, and half time shows at football and basketball games. The 1983-84 Pepsters brought smiles to the faces of all who watched.

Varsity Yell Was Second to None

Uncovering buried enthus asm and spirit was one of yell signals. Through rain heat wind and sun, the yell leaders wink was never dine. They cheered their feams to victory when the scare was tight and no hilpe in sight. Games were won and games were lost but Varsity. Yell kept a cheerin no matter what the cost. The girls practiced early hours all summer and attended a yell camp. In San Diego, where they received numerous awards and brought back new mounts and routines. Making up the group to spirit leaders for 83.84 were returning varsity. Yell leaders. Tura Trigonis. Head: Suzanne Craves. Me anie Wright. Past JVIs Rrysta City. Cayle. Prisbury. Laura. Hey Let's Hear it, J.V. Yell Has Spirit

Hey let's hear it, Junior Varsity Yell has spirit. By performing in railies, cheering at J.V. sporting events, and supporting Wilson J.V. Yell really proved they were second to

Kris Cahill, Cheryl Dumars (head), Angle Frost, Mathie Gaylord, Lisa Hill, and Lauri Lovren, the J.V. Yell squad, all agreed that the best thing about yell was the time they spent "having fun together." Last summer they attended camp in San Diego. While receiving a top ranking of superior plus, the girls also picked up important tips on performing. As their advisor Miss Oppelt commented, "Their hard work really shows." That hard work continued during the school year with daily practice to further perfect stunts and routines.

As for the future, the girls hope to make varsity yell and continue proving that Wilson spirit is number one

Z-Girls

Who are those girls that decorate the school with spirit signs and carry packages filled with cookies, cupcakes, or brownies? Who are those enthusiastic girls that provide service and spirit for our school? They call themselves the — Z — girls. No, — Z — does not stand for Zoro or Zipper. It stands for Zygomas

Zygomas is made up of the 20 most active Sr girls who donate their time and encouragement to Varsity players. They decorate lockers, make signs, and bake goodies each week for their — Z — boys. This tradition of supporting our school began in 1956 when four girls decorated the goal posts for a Wilson football game. Since then, Zygomas has grown into an outstanding club

Along with supporting athletes, the — Z — girls helped the Booster Club, served at the traditional pancake breakfast, donated money to the clock chime tower, and provided entertainment at the Sophomore picnic

Mrs. Holzman has been a most helpful sponsor for two years now. As one member said, "We're very lucky to have a sponsor as dedicated as Mrs Holzman."

This page 1 We made it, all 2012 — Z — girls jump for joy 3 Look at those speedos!! 4. — Z — plays Polo. 5 That is togetherness. 6. D D S P K E

This year's Loudspeaker staff was commended for their outstanding efforts in producing the newspaper. The staff consisting of 30 strong writers, worked on a ten day production schedule creating 15 excellent newspapers

The quality of each issue, larger number of publications and "trouble shooting" were effective ly handled through the tireless efforts of our superb Editor-In-Chief, Candi Wright

Doug Iverson was the advisor for his second consecutive year at Wilson and did an exceptional job supervising its production

The following is a list of the editors: Editor In Chief — Candi Wright, News Page Editor — Shaw nean MacFaden, Editorial Page Editor — Liz Pond, Feature Page Editor — Paula Coony, Sports Page Editor — Bryan Lane. Art Contributions — Mike Adams, Barbara James. Chris Lee and Paula Watson. Photographers — David Olsen and Cindy Winterrowd. Business Manager — Cheri Chandler

I The News Page worked hard for a great front page 2. The Editorial Page took time out from their work to pose for this shot 3. We stopped the Festure Page long enough for a quick picture. 4. The Sports Page pulled together their talent for the page.

Hundreds Cry for David and Lisa

The Dramatic Arts Department of Wilson High School pro-udly presented "David and Lisa". The show bursted on to the scene. The main characters were David Clemens, played by Scott Apel and Q. C. Gibbs, and Nancy Kimber and Melanie Wright portrayed Liss Brandt. Four other superb performances come from Tony Anderson and David Menter who added that certain touch which made it such a great success, Keryn Eaton and Stephanie Barnett with their ac-ting ability. Other outstanding support came from fellow actors and actresses, Denise Apel, Jenny Knowlton, Scott Gonzalez, and Jerry Stinson, from Cast B, and from Cast A there were Ron Wandix, Tommy Davey, Laura Wilson, and Linda Lakoff The shows were complete sell outs with an enor mously enthusiastic crowd. At the end of the show, one cast presented Mr Bowden with a Drame/Tragedy award in appreciation of his

One of a Kind One Acts

The well-renowned Drama Department of W Ison High School showed their talent with the famous One Acts. The One Acts are put on by the second-year drama students and are directed by the third-year seminar directors. The One Acts consist of six One Acts, three each week. This year's One Acts were the dramatic 'Mr Biggs starring Hortencia Salomon, Stacy Hodges Philip Constable and was directed by Paula Sevrean with asst Laura Smith. The second week's drama was "The Image" starring Shelley Dill, Chris Toy Sandy Allen, Jody Hall, Cornebus LeFlore, and directed by Laura Wilson with asst. Cathy Simp. son. The first week's mystery was 'Afterwards' starring Merla Steinberg, Christian Ares, Ched Franklin, Nothan Allen and directed by David Menter with asst. Guy Trimble. The second week's mystery was. "The Mind of a Killer" starr. ing Mike Adams, Deborah Rose, Kathy Newberg Scott Gonzales. Eric Washington, and directed by Scott Apel with asst. Susan Ridgeway. The first week's comedy was 'Dumping Grounds' starring Todd wood Lea Cordova and Tony Anderson The second week's comedy was "My Cup Ran neth Over" starring Lisa Stuart, Monica Pearson Emile Gerard, Jocelyn Hohri, and directed by Jennifer Courdy with asst. Casey Brace. Lighting and sound was done by Jocelyn Hohrl and Nancy Presser All of these students put in a lot of hard work and time and deserve a lot of credit for

Jazz Ensemble Keeps in Time

* OF A

Tempo was the key for Jazz Ensemble this year. The outstanding Wilson Jazz Band has a history of excellence with the win of both the Cal Expo Jazz Title in 1979 and the San Bernardino Title in 82. In 1983 the ensemble won the Norwalk Festival. This year was no exception as they attended festivals in Fullerton, Norwalk, and San Bernardino, to name a few. They always received high ratings

Rolland Sandburg, the director, predicted that they would have a good year" and he was right Mr. Sandburg has been the director for 23 years and has done an outstanding job

Back on campus, the Jazz group was kept busy by playing at all the pep railies and home basketball games. They were also featured at the Scholorship and Spring Concerts

Symphony Orchestra Swings

The Wilson Symphony Orchestra is rated as one of the finest high school orchestras in the state. For the past twenty-three years, the groups have received superior ratings at all festivals, a record unequal ed by any high school orchestra

The Orchestra presents four concerts a year in the Wilson auditorium: the Fall Concert, the Holiday Concert, the Scholarship Concert, and the Spring Concert

This year the Orchestra played in the Valencia High School Festival which was held in Placentia

Soloists with the Orchestra this year were Felix Hack, clarinetist; and Molly Quest, planist. Martine Korach, cellist, was soloist with the All District Orchestra

Christine Radford, Molly Quest, Jennifer Courdy, Teresa Robinson, and Felix Hack were members of the All Southern California Orchestra Molly Quest was a member of the All California Orchestra

1. Teri Fraser plays her part with excellence. 2. Richard Arnold accompanies the strings. 3. Steven Gately and Eleazer Bolado keep the low tones strong. 4. Kishan Kooner brings out the melody 5 Concentrating on a difficult phrase, Marcello Callo tries to make every note perfect. 6. Soloist Martine Korach looks up for a cue

I. Mr. Sandburg conducts the orchestra with authority. 2. Concert Mistress Christine Radford Tooks up for direction from Mr. Sandburg. 3. Concert Master Dale Inskeep enjoys practice. 4. Felix Hack Practices in tensely 5. The 1983-1984 Wilson Symphony Orchestra.

JETS

West Side

Rave Reviews for West Side Story

As the curtain goes up the first thing you hear is a finger — snapping pulse of life on the west side of New York City, where a refetime can be only 48 hours long.

Riff (Steve Shuttleworth) is the leader of the Jets, this is one of the best portraits of this character that has come our way The opposition, a Puerto Rican gang called the Sharks, led by Bernardo (William Mills), who adds a touch of the higher class of life with his presence on stage as Bernardo. Inevitably it adds up to a rumble — they it set the date at the dance. The dance at the gym is the biggest and the best dance number of the entire show.

Then it happens, Tony (Chris Clayton); one of the founders of the Jets who lately is drifting away from the Jets meets that special person Maria (Yvette Saferstein) who is Bernardo's little sister, (who has just moved to the U.S. from Puerto Rico.)

The next scene is in the bridal shop with Anita (Lea Cordova) who is madly in love with Bernardo, with Maria (as they remake what was a white communion dress into a party dress for the dance)

This musical has taken a fot of time and hard work for the director Mrs. Carla Strandberg. Her co-workers included Ron Mahman, the stage advisor, Mrs. Wright, the drama coach, and Billy Hess, the choreographer. The Student director was Rob Natter Director's assistant. Donald Moss, Prop manager, Amanda Peterson, Human resource; Jennifer Drew, and Dance captain Julie Richter.

I "It sure is a fine turnout tonight. Thank you, says Glad Hand at the dance 2 Steve Shuttleworth and Julie Richter as "Riff and Garcella" at the dance in the gym. 3. Tony and Maria when they first meet at the dance. 4. Schrank (Mike Adams) discusses ways to find out about the rumble with officer Krupke (Nathan Allen). 5. Tony (Chris Clavton) as he thinks of Maria. 6. Maria (Yevette Saferstein) as she thinks of Tony 7. Josh Lowenthal as he portray's a big man in Baby John. 8. The Jets. 9. Anybodys (Julie Arluk) as she protests that she wants to be a Jet 10. Tony and Maria recreate the bridal shop scene. 11. Rich Covert as Glad Hand. 12. The Jet Girls stand behind their men. 13. "Mind. I have no mind I'm the village idiot," says Doc (Tony Anderson)

NJROTC:

A Tradition of Excellence

N J R O T C stands for Naval Junior Reserve Officers Training Corps. This is a daily class for which anyone is eligible. Classroom ROTC covers a large field of topics. Astronomy, Navigation, World History and Naval proceedures are all discussed as part of the class ROTC is an accepted substitute for P E. in high school and if three years of ROTC are taken, a science class is not required. ROTC members are required to wear uniforms once a week on Thursdays and Drill team practice is held every morning at 6.55 on the girls athletic field. The drill team competes with other schools and often performs in parades. ROTC is a very valuable class to many because above all littleaches discipline and respect ROTC is supervised and taught by Capitain Montz, Chief Burke and Captain Green.

Student trials begin Barth places

Defense and prosecution teams will present their cases on Illegal Search and Seizure of Drugs on High School Campuses on November 15th and 22nd, from 5:00-7:00 p.m., at the Los Angeles Criminal Court Building, according to Mrs. Taylor

The mock trial is supported by the Constitutional Rights Foundation. The entire state of California participates with Wilson being one of the 55 high schools from Los Angeles County and the only one from Long Beach

In a mock trial students present their cases in front of judges and attorneys who grade their arguments

The defense team consists of Madaline Battles, Vicky Bevins, Dwyane Gergens, Celeste McCafferty, Buddy Perez, Kim Redman, with Lance Ringheim as the defendant

The prosecution team consists of Julie Bur ton, Chris Cragg, Shelly Crowe, Jeff Fikes, Tracy Laughten, Michelle Mope, and Henry

"The mock trial is a fautastic experience for students to find out how the criminal justice system works," says Mrs. Taylor

On Thursday, November 10, 1983, Judge Pokras agreed to a "run-through" of the trial on videotape with a member of the district attorneys staff present with attorney, Mark Rothenburg, as defense aid. This "runthrough" practice proved to be very helpful in getting our fearits ready for competition

Mrs. Taylor has been doing mock trials for

over 10 years and videotapes all of them

She states, "They follow all the correct courtroom procedures to make it as real as possible

Last year at the Moct Court trial Wilson won first place. This is the first year the mock trial was introduced to Wilson students

The difference between the two is that the mock trial is the lowest level trial, more of an everyday trial you would see in a courtroom Moct court appeals the case and is on a much more advanced fevel

Dwayne Gergens says, "It's exciting. It gives me a chance to see how a courtroom works I've met a lot of people this year and I've learned how to predict upcoming statements and how to keep my facts straight."

Celeste McCafferty was very enthusiastic in saying, "I love it! But, it's a lot of work."

There are two rounds in the trial, then it goes on to elimination with the final competition ending in March in Sacramento.

for ahalf week of spirit rasing activities. There were two theme days prior to the Spring Fair, they were Wednesday, April 25th, Athletic Day and Thursday the 26th was Tourist Day

The, "Olympic Day," activities began Friday, April 27th, at 6:00 am when many club sponsors, presidents and members showed up at school to prepare their booths for the big

At the fair there were 31 booths, 16 with delectable edibles, 4 with refreshing beverages and 11 with miscellaneous activities and merchandise. "All of the booths seem to have done very well said one student as the fair began to come to an early end

The two Masters of Ceremonies (Tony Anderson and G.C. Gibbs) with their crazy anties, announced the traditional tennis ball relay, tug-o-wars and three-legged race, however, later began to lose their audiance to another attraction. Almost everyone went from the quad to the girl's gym to get a look at breakdancing

This year the largest crowd was watching the near professional break-dancers who had the whole crowd in awe for approximately 2 hours

The main goal of the Spring Fair is for people to have fun Rick Jensen, a Wilson senior, said, "Half the fun of the Spring Fair is seeing the faculty having more fun than the students.

Since the fair was a success, we can proably call Wilson, "The Offical High Scool of the 1984 Olympics. "

15th in race

By Cathy Simpson

The Iron man Triathalon held in Hawaii every year has long been one of the most prestigious events in the running sports world On October 22 Klaus Barth, a coach and math teacher at Wilson competed in this fabulous race. Barth came in 15th out of about 1000 other athletes with an official time of 10 hours. 13 man, and 56 sec

For anyone to take part in an event such as thu, they must be in top physical condition, as well as mentally tough Barth, who was in good shape before he started training for the ironman, trained all summer, six days a week

Everyday he swam 4000 yards, then biked about 70 miles, and finally ran 13 miles. He figured it took him at least six to eight hours

Although physical condition is extremely important it is also important to remember that the mental condition of an athlete is a major part of competing. In fact, especially for the triathalon, mental training is perhaps more vital. If an athlete isn't phsyced and he doesn't think he has what it takes to make it, he won't. The traithalon is a solitary sport. Everything the athletes does during and before the race from bike repairs to bandaging a cut is done alone. Said Barth, "I had to get used to being alone and exhausted all the time."

When asked how everything west, Barth commented that it had been extremely hot and humid with temperatures above 100 degrees in the lava fields where the breyeling and running legs took place

Barth came to the U.S. from Germany in 1969 on a swimming scholorship from Cal State Long Beach. There he recieved a masters degree in education. He's new at Wilson this year. For the past eight years he has been teaching at Lakewood

One reason Barth wanted to do the triathalon was because he loves cycling and has a background in swimming. He encourages anyone to participate in triathalons saying that since he decided to train for this event he has felt like a better teacher and much more energetic. He went on to say there are no special physical abilities one needs to have in order to partake in a triathalon, just hard work and determination. He elaborated saying "The truthalon is a personal challenge. It's not really important to come in first, but to do the best you can and feel satisfied."

Olympic spirit hits Bruins

By Linda Jones

Wilson celebrated its annual Spring Fair April 27th. This year the booths, along with enthusiastic people colored the quad red, white and blue to support this year's theme, "Olympic Day." The Spring Fair always gives students something at school you look forward to, Kelly Gardner, a Wilson student, says, "The Spring Fair always comes at the right time, just when you're recouperating from Spring Break."

The Spring Fair is a Student Council project that boosts everyone's spirit and carries it out until the year's end. It's months of planning

Student Council Strives for Spirit

The Highlight of the fall semester was the in stallation and dedication of the Clock Chime Tower. This was the culmination of several years of hard work by the supportive Wilson students and alumni. As the sounds of "Wilsonia" echoed through the Wilson quad, a new era of spirit was in itlated into Bruin history. Many thanks go to all those who participated in the re-established of this Wilson landmark.

In addition to the dances, fundraisers, rallies, P.T.A. membership drive, and canned food drive, the biggest event, as in years past, was the highly successful spirit week topped off by the 24-hour Rock n' Roll Homecoming. What a success!

Student Council had the opportunity of attending leadership conferences as a group to learn new methods of fundraising, promoting school spirit, solution to problems on campus, and other activities, which helped us plan a well-rounded program for the fail semester. The Student Body gave us their full support with these activities as they carried them out with an outstanding spirit of enthusiasm.

Break dancers hit the streets

By Cindy Winterrowd

It's street dancing from New York with acrobatic and germustic movey mixed in [1, a 1] ed break dancing it started about its years ago. when the gangs of the South Bronx got fired of I ghising and started a new dance where they could challenge each other. Two year upo break dailing came to California.

Most break dancers Javorite songs include Freakazoid and Maniac Some of their lavorite moves are moon watking, crab and spider, back spins, 3-d popping, and kick worm. It can always be found at local mally in Long Beach and Lakewood. Odyssev. Infanty. and the 321 Club are among the most popular under age clubs.

Buck dancing has been erronously to estyped as a black dance. An excellent break dancer at Wilson is Christ an Aros. He his been break dancing for about four or five months. Christ an luves to dance, and he's in Advanced Dance and in the dance club. He also has black friends whose popping he used to try to imitate. All of them had a head start. They had been popping for years. When break dancing came out, Christian had an even start with everyone else. He practices and practices and is not as good or even better than asother breaker. Christian has a great relation. hip with his black friends. They love to joke about "the white boy that breaks". He teels they accept to a rate because he back

Christian doesn't see any future for himself in dancing. He just loves to do it. He has done some amateur shows and has gone against many challengers. No one taught Christian how to break. He just watches people. And no he never saw "Flashdance

Christian may not be the all time breaker but watch out because he is getting there

For the first time ever, the Campanile included a "Hall of Fame" for Loudspeaker articles. There are several pages throughout the book. Happy reading.

Christian Aros displays his outstanding capability to break dance

Media Center helps students

By Mike Michaelian

Wilson High School built the Media Center or 1975 for the sole reason of helping students become more educated in the world. Since then students have taken advantage of the orally books, magazines, typewriters, T V production equipment, slide equipment, and other reading materials to do many school projects. and to get caugh up an the current exents of the world around us

We have had some great librarians since the Media tier er's period and we have an excellent the riw in Mr. Matters She were help to st Jert. I thank differen wass and she encourages them to read and study more. Mrs. Mo tsore is backed up by Mrs. a god and Ma-Kerman who asso were very pice. The Media Center also has five library aids who help to shelve books and run the front desk

At the moment, Mrs. Mattson feels Wilson. todents aren't using the Media Center cosagh for independent reading, but mostly just for school projects. "A library has something on every subject, so don't limit yourself to just one, but expand your knowledge and ande fanologist he world out I M. Mait

the Meda Center a not just used by students for studying but it all a little and for pub expeakers and a hors a hour Hearth classes have Alcoholics Anonymus employees rak the redet and the birt time Beach punsors at a if et who certe to ask it

Assether asset of the Media Center is the great T V production at on. Mrs. Mathon. commented on it by saying, "We have one or the best T.V. production stations in the District. of Long Beach " All the librarians atacknowledge that they are lucky to trye wich a new building to work in

Even though our Media Center seems to have a first letter she bottations administrahard to get exactly what they want since Pronas in Hapased Therefore her ask Wostudents to bring in any arts, crafts was hat would help our libraray be a better place

The Media Center will always be a great place to go for many 1 fe er f cosms cel free to use at any my I be not a well-time you and want to help with any problems you have

Wilson's math team 4th in state

By Susie Pitts

A big "Congratulations" is sent to Jeff Merrick and Felix Hack for winning in two out of five events at the Mathematics Field Day, held at Occidental College

There were more than 400 students from all over California, who participated in events which tested in speed and accuracy in problem solving

Wilson is tied for fourth in the state Wilson's leading scorers are: Felix Hack, Fric Aldrich, Jason Lorber, Jeff Merrick, John Lane, and Robert Park, Good-luck to all in the math competitions for the following year

STAFF BOX

Loudspeaker its published for elective subject credit by the advanced journaism and graphic arts classes at Woodrow Wilson High School 4400 East Tenth Street, Long Beach, 90804. PTA takes on drug problem

By Mike Lindley

As most of you know, the use of chemical substances now dominales social activities at Wilson High even to the detriment of those students who do not or would prefer not to use alcohol or other drugs. Well, the PTA, at Wilson realizes that fact, and has formed a Chemical Substance Task Force. The objective of this task force is to eliminate drug abuse by Wilson students.

Felix Hack at it again

By Laurie Tatreau

Would you think you were dreaming if you were suddenly fied for first place in the whole NATION for an American Computer Science League competition? For most of us, we would be dreaming. For Felix Hack, a 12th grader here at Wilson, it is reality

At the time, Felix is tied with more than 70 others in the American League competition. They have taken two tests and on the first atliwere perfect scorers. When the second test results are evaluated the number of people will decrease. The over all winner will be the highest scorer through five tests.

One competition isn't enough for Felix. He is also fied with roughly 16 others for first place in the state, in the California Math League competition. This competition is really a team event. The highest scoring team in the state will win

Felix was born in Hamburg, Germany where he lived for 10 years before coming to California. When asked if it took him very long to learn English he replied, "No, it took me a year of television and simply talking to people to pack up the language" Definitely a fast learner, Felix has a 40 G P A. His favorite subjects include chemistry, music, and even calculust He's been playing the clarinet for

Felix Hack ties for first in nationwide computer science league competition.

eight years and is a member of three orchestras including Wilson's

Among awards Felm has received in the pant are; first place in the District Math Field Day Speed competition (for the last two years), the Rensselar Math and Science Award, the American Chemical Society Award, first place in the state in the American Computer Science League competition, and a winner in the speed division of the Occidental Math Field Day

Good luck Felix and keep up the good work!

Candi's Corner

Bruin honors sky high

By Candi Wright Editor in Chief

History was made in the world and on Wilson's campus less than a month ago when alumnus Bruce McCandless became the first man to set foot unrestrained in space by using a special jet-powered backpack.

As you read in the last Loudspeaker issue, the 1954 graduate carried an "I love Wilson" bumper sticker and button with him on his space adventure. I feel there is a unique message underlying the opportunity Wilson most graciously received recently

Nearly 30 years ago, McCandless boasted the fellow students that he would be one of the first men to walk on the moon. Most people agreed then he was a bit crazy, but it never stopped him from striving for his goal. Although McCandless, has never been on the moon, he did achieve a remarkable feat.

A lesson we can learn from McCandless experience is he had a dream, he went after it and grasped it. He is an excellent example of what can be produced at Wilson High if enough effort is put forth. Dreams or goals can be short or long term, but the important part is making and having them

You may have a goal right now you won't share with anyone, which is alright as long as you work hard to achieve it. You may want to make a pep squad, join a club, get an "A" in a particular class or get accepted to the ultimate college of your choice. The sooner you start and the more effort you put into it, the better you'll feel about the results, and the more rewarding they will be

f think we should be thankful to McCandless for thinking of Wilson and letting us be a part of his achievement. He didn't have to call his aima mater and ask for something to symbolize his old stomping grounds-but he did.

I feel this is what our teachers and administrators mean when they talk about prestige and tradition Right now you may wish it was graduation day, but sometime in the future Wilson is going to "chck" in your heart, if it hasn't already You're going to feel a sense of pride come over you, and will return to Wilson and say, "I remember when.

Alumni like Bruce McCandless keep Wilson at the top. You and I will be responsible for preserving its prestige in the future. Hopefully we too will remember to share our achievements

Mock Trial

On Tuesday, November 29, presiding Judge Joseph Adier ended Wilson's dreams of reaching the state finals of mock trial competition. Although the round was close, taking Judge Adier 45 minutes to reach a verdict, the team was visibly disappointed by his decision.

However, considering that being in the L.A. County Cour thouse would be enough to paralyze anyone, these students presented their cases with great accuracy in reaching the quarter final round

Earlier in the competition, defense and prosecution teams defeated Manual Arts and Roosevelt High School by close margins

The team's success was due, in part, to the excellent guidance they received. They were backed by their en thusiastic teacher, Mrs. Taylor, and received crucial advice from more experienced individuals in the field, Defense At torney Marc Rothenburg and D.A. Assistant Parn Ferraro.

Students not only sacrificed their free-time in preparation, but also put a piece of themselves into their roles and per formed as if they themselves were on trial. Late meetings and long telephone calls became common during the weeks of preparation, many of those meetings being held at Mrs Taylor's House

Although students were divided into two groups, at torneys and witnesses, the competition did not rest solely upon the attorney's shoulders. The witnesses presented such convincing testimony, that they became equally important in presenting the facts

Perhaps, the greatest learning will come after the competition when the team will review their past matches on videotape. All the matches were recorded by Head Football Coach Al Taylor

Wilson's final round came against a private school, St Genevieve. Despite being slightly intimidated by the opposing side, the prosecution team presented a strong case. Unfortunately when either the defense or prosecution team loses, both teams are out of the competition

Even though this year's team fell short of the state finals they set a standard for team's to come and can walk with their heads held high

Varsity H₂O Polo Zimbo Zimbo Go, Fight, Win

VARSITY WATER POLO ZIMBO, ZIMBO, GO, FIGHT, WINI

For this year's varsity water polo team, the season really began shortly after the 1983 gradua tion. Playing under the name BEACH WATER POLO CLUB, the team competed in better than 30 matches during the vacation period. The highlight of the summer pre-season was a trip to the Midwest, where the poloists first won the GREATER CHICAGOLAND TOURNAMENT by winning three straight games in the Windy City From Chicago, the team traveled to the University of Notre Dame in South Bend, Indiana, where they went 40-1 against the best in the nation to win the NATIONAL JUNIOR AAU USA OLYMPIC CHAM PIONSHIP. The national title was perhaps the most prestigous championship ever won by a group of Wilson athletes. A proud coach Jones pointed out that BEACH was the only team in either tourna ment which was comprised of players from one high school. All other teams were allstar groups which represented large areas, clearly demonstrating that Southern California is the high school water polo capital of the nation

With the start of the regular school year, the Bruin varsity continued the tradition of winning Wilson water polo by first taking the championship of the 32 team MILLIKAN INVITATIONAL TOUR NAMENT and then presenting coach Rick Jones with his sixth consecutive MOORE LEAGUE TITLE. In league play, architval Millikan was defeated 11 to 3 and Lakewood was beaten 21 to 8. As always, the non-league games included the best of the Southland, which resulted in a few close, hard fought losses to schools such as Newport Har bor and Corona del Mar.

The large 19 man varsity squad was led by captain Mark Griffith, along with key players Amos Merkle, John Lane, Michael Riggs, Robert Lynn Dale Inskeep, Mark Bixby and Goalie Jay Cahan

The season ended, with a heartbreaking lose to Newport Harbor in the second round of C.I.F playoffs, which put an end to Wilson's dream of the title But lets not forget — there's always next year

Red Hot Together

Taking over the volleyball team this season, Miss Aracely Mora proved to be an outstanding asset to the Varsity squad. Under her guidance, the volleyball team put much time and effort into becoming one of the best teams to win the Moore League Title and participate up through CIF semifinals

With their 16-3 record, the team finished first in the Moore League. Leading the team with great transition flow from offense to defense were the key senior players: Marci Whistler, dominate in all positions; Teri McGrath, great as a position setter and right side hitter; Heidi Drace, front row blocking and spiking specialist; Peri Hansen, great front and back position specialist, and Jamie Huffman, passer and super spiker. Working together with exceptional players, the Bruin Volleyball continues to pursue the quest for CIF championship

Cross Country Team Upholds Winning Tradition

Wilson Girls' Cross Country fully dominated Moore League, running undefeated in the season. The team was lead by returning seniors Dorls Painter, June Kansopon, and Barbara James. Juniors Megan Crawford and Michelle Jacobsen, and sophomore Paulette Painter added needed depth to clinch the title. Other hard fought races were run by Lisa. Peasley, Michelle Welton, and Anna Ferrera

Doris Painter proved to be a major force on the team with first place races against Millikan, Jordan, Poly, and Lakewood. She ran a time of 17.46, her season's best over a 3 mile course. If Paulette Painter follows In her sister's footsteps, Wilson could very well be forming a dynasty in the world of cross country.

CROSS

O U N R

Boys' cross country, lead by Wilson's #1 Var sity runner Carlos Lopez, tled for third place in Moore League with Compton behind strong Millikan and Lakewood squads. The sweep of Poly highlighted the season with Wilson runners taking the first six places. This year's team featured a full squad of sophomore runners Behind Carlos Lopez and Mike Moore, seniors and Aarron Dement, (juntor) sophomore runners filled most of the team spots

Coach Lineberger is looking forward to a strong team next year led by Dement and sophomore superstars David Greenberg, Jose Ortiz and Lucky Silva

Girls' Varsity Tennis

Our Girls' Varsity Tennis team opened their Moore Legue season by crushing Millikan 18-0, it was a outstanding performance. They continued on their winning streak breezing by Jordan 18-0. When Ms. Betz, the tennis coach, was asked what the odds of winning Moore League were for this year she replied, "One hundred percent win." To win is the team's motto

Ms. Betz has been coaching the Girls' Wilson Tennis Team for 17 years. Out of those years, Wilson has won four out of seven Moore League titles Ms. Betz said that her girls take tennis very seriously

One of this year's most outstanding players was, sophomore Janeli Wilkins. The girl's varsity tennis won the Moore League title by defeating Lakewood 18-0. They had an excellent year and went on to represent the Moore League in the CiF Championships at UC Irvine on Dec. 3rd.

A A of each first to Milly works wolfe of the

Varsity Football: Period of Adjustment

The 1963-64 Varsity Footbell Team had a very disappointing season. The coaching staff, headed by Al Taylor, worked very closely with the members of the varsity squad. A competitive Moore League and numerous injuries plagued the Bruins. Despite a season in the loss column, with the exception of two tie games, our grid-ron players approached each game gallantly and upheld our tradition of Wilson sportsmanship

Varsity Swim

Dedication Paid Off

Dedicated - that's the word for Gals' Swam this year. When most of us are still snoozing, this devoted group is in the pool for morning work-out starting bright and early at 6:00 a.m. They return again for two more grueling hours after school

Having more depth than previous years proved important for this year's squad. Juniors Karen Leafstead and Denise Kuhn returned from outstanding tenth grade seasons. Seniors Kelly Kirkwood, Tamara Mears, Lisa Peasley and Cindy Loos rounded out the squad

With such a dedicated team and coaches, the reasons for their success aren't hard to see

Opposite page I Lisa Peasley freestyles her way to fame 2 Brenda Hinsche does the breast stroke like no one else. 3. Tracy Skelly demonstrates perfect form in the breast stroke. 4. Girls. Swim Club. Junior **Poloists** Capture Moore League

The mighty Bruin Junior Varsity H₂O Polo Team really came through for Wilson this year, by winning the Moore League hands down. Victories against Lakewood, Poly, and Millikan led the J.V.'s. to a clean sweep in league play.

Coach Bob Anderson can feel proud of his 1983-84 squad, with athletes like (cap.) J. P. Beay and outstanding players Scott Watkins, Joey Scott, and Eric Greenberg. The time and sweat each one of these Wilsonites puts into Water Polo cannot be measured but it is respected

Sophomores Win Water Polo Title

1983-84 sophomore water polo exploded, as these young rookies scored victory after victory to take their Moore League Title. Players like Tim In skeep and Brett Bixby led the attack on beach schools Newport Harbor and Corna del Mar. These and other wins are the direct result of Coach Gruinison, who taught almost all Wilson sophs everything they know Without his work Wilson Polo would surely not be the power It is today

Girls "Raque" Up Moore League

The 1983 Girls' Junior Varsity

Tennis Team once again lived up to their expectations by racking up another Moore League Championship. Going undefeated with a record of 10 and 0, under the leadership of Coach Val Hoffman, no other team even came close to beating Wilson. "We have a lot of skill and enthusiasm shown on the court by all of the players throughout the season," commented Coach Valerie Hoffman Laura Watkins, one of the strongest J.V players this year, demonstrated outstanding skill, perfect attendance and great leadership

BRUIN BASKETBALL BABES BOUNCE BACK

Our girls' basketball team proved its talent after a slow start With many returning lettermen, the Varsity team showed its spirit, enthusiasm, and teamwork. Lead by Sr. Lisa Peasley, who had an outstanding year from the free throw line, the team blossomed as the season continued. Returning Varsity player Kathy Goggin showed real talent in the center position, and high hopes ride on her as a leader on next year's Varsity team Senior Chandra McQuarn also played outstanding basketball with many assists. The JV team had a fine season preparing their girls' for next year's Varsity team. Varsity Coach A. Mora and JV Coach J. Eyanson did an excellent job with both teams

WILSONWRESTLINGWILSON

Our '83-'84 Team

Enduring many disappointments and appreciating many wins, the 1983-1984 Wilson Wrestling Teams ended their season against Lakewood, their last Moore League match. With losses this year against the other schools in the district, the team learned where their weak points were, and what to look out for next year so they can have a victory filled season. "Better luck, better skill next time," and good grappling. A special congratulations goes to Tom "Colonel" Sanchez for his outstanding season

J V VOLLEYBALL: Sophomore Stars

The extraordinary all sophomore Junior Varsity Volleyball Team had a perfect league record this year. With the completion of the season, the team finished 15-1 overall. The team also gained valuable playing time and experience in the Huntington Beach Tournament where they placed a very respectable third. At this tournament, Carolyn Janisch was the outstanding player, achieving a spot on the All Tournament Team.

Coach Jeff Watten spends most of his time coaching and playing volleyball which may be why our J V girls have such winning ways Coach Watten believes in the persuit of excellence and doesn't overly stress the importance of winning. For Coach Watten the best part about coaching volleyball is the satisfaction he derives from turning individual talent into a well disciplined team. Coach Watten certainly did that this year.

Girls' Soccer

Girls' Soccer

Soccer entered its second season here at Wilson after a third place finish and just missing C.I.F. by a flip of a coin last year. Having a tough pre season against Orange County teams, Wilson Varsity compiled a record of 1-4, while the J.V.'s were 0-4-1. The pre-season proved to be somewhat dismal, however, it was good practice for both teams. After the end of the season, Varsity was in first place with a record of 6-0-1 under the direction of Coach Jeff Watten in his first year. The J.V. team, under the coaching of Dan Heston had a record of 2-1-1 and earned a tie for second place, only because Millikan and Lakewood are the only schools who can field a J.V team.

With seven returning lettermen and a strong and enthused bunch of new players to Wilson's squad, this season proved to be a success in its second season in the Moore League

Boys' Soccer

1984 was a year of growth and great improvement for the Wilson boys' Soccer team. Most team members had not worked together previously but quickly learned good teamwork and cooperation. The team practiced two hours every day under the supervision of Coach Klaus Barth. These workouts consisted of stretching, scrimmages and drills in running, passing skills and shooting.

Some outstanding offensive players for the year were Rafael Ruiz and Mike "Miguel" Martinez. On Defense, Captain Mike Hansen contributed a great deal until he broke a hip and had to sit out the season. Roberto Coccioli, the new captain, and Mark Desanti both turned in excellent defensive performances

The season was generally a good one, most probably due to cooperation and a lot of hard work. The team's attitude is probably best summed up in the words of Coach Klaus Barth, "All I ask is that they give 100% and try their hardest

Boys' Swimming

This year's '83-84' Varsity Boys' Swim team was awesome! The team's star awimmers were Sophomore Hank Wise, Junior Matt Mitchell, Senior Amos Merkel Senior Brenden Shea, Senior Dale Inskeep, and Senior Mike Polsky. The teams strongest area of swimming were sprint events, 50 yard freestyle, 100 yard freestyle etc. But Coach Barth did mention "our breaststroke does need some work". The team seems to be best in all freestyle events, 50 yard, 100 yard, 200 yard, 500 yard freestyle relay events. The Varsity Swim team coach, Klaus Barth, truly likes coaching here at Wilson. He's always wanted to coach at Wilson. Barth has been coaching in the Long Beach School District for eight years. He coached swimming at Lakewood High School for seven years. He is also the coach of soccer here at Wilson, Coach Barth has been involved with swimming and still is involved with swimming. He first came here on a Long Beach State Scholarship from Germany Recently he has competed in Hawaii for Ironman and he placed 15th, Barth's goal is to be in the trrathlon. Coach Barth lookes forward to a very successful season. He is very happy to be following in Coach Gruneison's footsteps. Coach Barth genuniely wants to keep the winning tradition going here at Wilson as Gruneison did Coach Barth quoted "It's hard to be just like Coach Gruneison, people expect the same." "It's hard to adjust."

Varsity Basketball

Starting the season, brand new, was the talk of the 83.84 Wilson Bruin Basketball season Despite their inexperience, the Bruins improved quicker than anticipated and went on to have a highly successful season. Their overall season record was an impressive 5-5, earning them third place and a trip to the CIF Playoffs for the secondiconsecutive year. Wilson drew Mater Dei in the first round of the playoffs and was defeated 45-35 in a strong performance. Leading the way for the Bruins were seniors Johnny Griffin and Atul Thakker, Junior Jerry Goldsmith and sophomores Darren Rector and Bobby SanJose, Erick Weiss and Russ Pangborn, contributed heavily coming off the bench, and with the age of most of the Bruins this year, Wilson is indeed looking forward to the next couple of seasons

Junior Varsity Basketball

The Bruins tied for 4th place in the Moore League J.V. race this year. This team improved greatly while playing a very rugged pre-season preparing for the Moore League race. The Junior Varsity this year prepared many individuals who will help the Varsity greatly next year. Among its leaders were Juniors James Lee, Walter Nelson, David Nott, Elphonse Brown, Matt Gruniesen, and Sophomores Mike Eisenman, Ray Capterville, and Matt Treece, This group of J.V.'s along with the returning Varsity players should form a fine nucleus for next year's team

Gymnastics

This year's gymnastics team was lead by Coaches Mark Butler and Annette Pilarca Mark worked with the team on strength exercises and mostly with the uneven parallel bars and vaulting. Annette worked on poise and dance for the floor and balance beam routines. The team had vigorous workouts everyday and a lot of after school effort was included. Honor Ryan showed her best skill on the bars and floor. Margaret Hollon put style into the season with her excellent performances on beam. Veronica Foster was back for her third year and did great on the vault and bars. The great effort and coaching left the team with a season of which all can be proud

JV Softball Shows Skill

JV Spirit!

This year's eighteen-girl Wilson J.V Softball Team was led by Coach Jeff Eyanson, who, when asked how well he thought the team would do this year, said, "First place . . . why should we go for second?"

That statement was the attitude which partly made the Wilson JV, team this year, the attitude of having fun while you win. The skill of the team was shown by the good pitching of Lisa Allen against all of their competitors, and also the many catches, hits, and throws that enabled them to win. Looking at this team, next year's Varsity Team should do rather well

1. Renec Rayborn gets snother out at third. 2. Catcher Melissa Nelson never misses a catch. 3. Suzzie Horton runs home on an excellent hit. 4. Michelle Dalot proves that even small hits can amount to something. 5. Star pitcher Lisa Allen hurls in a fastball. 6. An outrageous slide by Suzie Pitts scores one for Wilson. 7. Boys Basketball ends excellent season

By Kevin Beadles

It looks as though the Wilson Bruins basketball team season is over. However, the Wilson cagers ended on a high note

The Bruins overal, record was 10-13. Their season consisted of 10 league games, and 13 non-league games. The Bruin cagers pre-season record was 5-8. That record was followed by a 5-5 record in league, which was good enough to give the Bruins a C1F playoff berth In eague play, the Bruns faced Milikan, Lakewood, Jordan, Poly, and Compton. They played each of these teams twice. Against Polyand Mil kan the Bruins were defeated in both games of the series. Against Lakewood and Jordan the Bruins achieved two game series sweeps. In the two game series with Compton,

The Wilson High team did not look that good at the beginning of the season, because of the fact that there wasn't any varsity experience. coming back. But the Bruins still had hope, and they set a goal to make it to the C1F playoffs. Their opponent for the first round was Mater Des, a team ranked third in the nation. The pick was an unfortunate mishap for the Bruins, but they still went into the game confident. The Bruins lost the game, but it remained very close all the way through with the final score being a ten point spread 45-35.

The starting five for the 83-84 Bruin souad consisted of three underclassman and two semors. The underclassman included, Bobby

SanJose, Darren Rector and Jerry Goldsmith The two seniors, also co-captains, included Atul Thakker and Johany Griffin, Thakker and SanJose were in the backcourt, while Griffin, Rector and Goldsmith made up the frontline, Griffin, who led all Bruins in scoring, has a chance to be Wilson's third consecutiveall C 1 F. selection. The rest of the Brushs were, Russ Pangborn, Eric Weiss, Steve Gatley, Steve Segelhorst, Todd Sells, Matt Treece, and Patrick Pratt

Lady netters upset by Los Al

By Angela Dailey

This year's Varsity Girls Tennis team has swept Moore League competition for the fourth consecutive year with a season record of 10-0 In a recent interview the team's head coach, Ms. Betz, stated that the girls have really put out a tremendous effort and have worked hard this

Janell Wilkins, one of the teams top five singles players, defeated her teamate, Molly Quest, in a hard fought match in the semi-finals, 6-1,1-6, and 6-4 Janell won Moore League and Molly was runner-up

At the doubles individuals, Lyan Oberjuerge, and Opal Robinson were runners-up, Josing to Miliakan High School. These two outstanding players still managed to progress to CIF competition. The winner and runners-up of the Moore League individuals tournament of both doubles and singles went to CIF individuals

The lady netters completed the first round of CIF competition by defeating Cypress High school 10-8 at Billy Jean Park . The second round was against Rosary at Troy High School in Fullerton where the powerful netters destroyed them 15-31

Unfortunately the Lady Bruins went down to defeat in the CIF quarter finals against Los Alamitos 7-11

"It's too bad our number two player, Jannel Wilkins, wasn't with us stated coach Betz, but if she would have been, we would have made the CIF finals Regardless, we had a very successful season?"

Also capturing the Moore League championship for the fourth year in a row were the girl's JV tennis players. They bested Lakewood

High School 11-7 in the last match of the season. Heroic efforts in the singles were made by Tract McBride (3-0), Heather Whelan (2-1), and by Laura Watkins (2-1) who won a crucial tie-breaker. Nancy Presser and Julie Young were the winning doubles team of the day (3-0), strongly backed by Shauna Cameron and Zoe

Two of the team's players, Yafa Hein and Laura Watkins, stated how they felt. "It was a relief to have won the last game. Usually JV doesn't get recognition but the feelings of winning are all the same."

Football works for better 84 record

Lady swimmers dominate

By Ke on O'Corno.

The 1984 girls swimming team will be open ing Moore League today at 100 against Millions at Millikan

The mighty Bruin Aqua women are 3.1 in duct meets with Victories over Marina, Newport, and Miraleste, with the lone defeat coming at the hands of Fountain Valley. They have also placed first and fourth in two diferent fournaments.

The top Bruin communer is jumor Karen Leafsted). Last year she won the Moure Lengue in the 200 yard freestyle.

'Kuren be so versatile she can switt just about anything she wants to," stated couch

The Bruins are also led by Tri caption I ma-Gilhott, Brenda Hinsche, and Tamara Mears. Colloit swims, 100 yard breast and butterfly, with Hissche swimming 100 yard breast, and Mears swimming 50 yard freestyle and 100 yd

The Aqua women are a team with a lot of depth and hope to repent as Moore League

"The key to success is depth," stated coach Kemp. She went on to say, "In most duel meets you earn points for the top five finishes in a race and you enter three swimmers, so with out

Soccer Shines

3rd L.B. marathon a running success

By Jackie Schmidthans

Marathon race- a running contest over a course of 26 miles, 385 yards, first held in Athens, Greece, April 1896: named for the legendary run of Pheidippides from Marathon (a plain in Attica, Greece, scene of a decisive battle, 490 b.c.) to Athens to announce the vic-

The Long Beach Marathon was started by a group of early morning middle-aged runners at the YMCA a few years ago and has rapidly grown in size and stature. In its brief history, if has become the major race of its kind in Southern California

Now, in its third and biggest year, the registration ceiling was 3,200, up 800 from last year and twice the size of the first race in 1982 They were not all runners. Competition was held in ruce-walking and wheelchair divisions 2,517 racers firmshed with official times.

The race started at 7 a.m., Sunday, February 12 at the Long Beach Convention Center Plaza on Ocean Boulevard 1300 unpaid volunieers were deployed the oughout the course to attend

This year's marathon was won by 24 year old Ron Cornell in 2 hours, 17 minutes and 45 seconds. In the women's division, Donna Chin of San Diego was first in 2 hours, 48 minutes and 27 seconds

Several Wilson students participated in the big race either as runners or volunteers. Two outstanding runners were Mike Day and Lucky

Lise Peesly (top) and Brenda Hinsche (bottom) work hard for Girls Swim team

Hanson was a key player in Wilson's defense, and without him the Rams managed to score two goals from the outside. This proved to be their margin of victory. If he (Hanson) hadn't been hurt, Wilson might have won the match, and the rest of the season will be tough for Wilson without him. It looks like JVs (now varsity) John Clark, Jeff Hodges, or Mitch Heath might replace him Rafeal Ruiz, another Wilson stand-out, had a slight injury to his thigh but will be back in action soon

Senior men giving spirit to games

By Laurie Tatreau

Have you ever wondered why there's not a boy's cheerleading squad or a boy's pep team? Well, one of Wilson's newest campus clubs is about as close as we can get. Sensor Men's Council was formed at Wilson over Christmas vacation last year. It is a spirit-oriented group of senior men who "root-on" their sports teams with a great amount of effort

The only requirements to be in this club, are that you must be a senior man, of course, and in addition, you must also have a fairly good GPA. The sponsor of the council is Mr. Hansen, our new activities director. At the present time, there are about 25 members Meetings are held about once a week during their lunch periods so that they can discuss their "game plans!"

One member of the Senior Men's sees the club as somewhat similar to Zygomas "Members of Zygomas show their spirit and support by making baked goods and signs for team members. We show our spirit by attending games and rooting on our teams the best we can!"

The president of Senior Men's Council, is Tony Anderson. Vice-President, is Scott Apel. and there are six members serving on the

Senior Men's becomes most active during basketball season. Last year some of Wilson's basketball players even claimed they had a direct effect in their first win over M Ilikan.

So show your spirit, join in along with Senior Men's Council, and everyone will see what Wilson is really made off

The Bruin badminton team has won its eighth consecutive Moore League title with an undefeated record of 10-0. The Bruins are sending five of the six league representatives to the CIF playoffs. They are Moore Leagues singles champion Tracy McBride, Moore Leagues double champions Tia Dimang and Kim Ly, as well as double runner-ups Nancy Kimber and Martine So. CIF begins on Friday, May 11.

Track Sprints and Hurdles Through Moore League

Coming back from a strong 1983 season, the 1984 Girls' track team was something to look out for. They were led by five strong runners: seniors June Kansopan, Michelle Motley, and Doris Painter, Junior Michelle Jacobsen and sophomore Paulette Painter. With these girls leading the team a Moore League Championship was sure to come our way!

Next year the team will be led by Michelle Jacobsen who says, "This years team has improved a lot because alot of hard work dur ing the summer and a massive amount of spirit and enthusiasm." The girls help each other out a lot and that's what makes the Wilson High School Track Team the best!

Wilson Boys' Tennis Volleys to Victory

The Woodrow Wilson Boys' Tennis team rose to great heights once again this year by capturing the Moore League Championship in both the Varsity and Junior Varsity levels, proving again that Wilson High is the driving tennis force in the Long Beach area.

The team was led by outstanding players such as Pat Crow and David Scantling (all Moore League Players).

Coach Jon Meyer did an outstanding job as the new coach, after Mr. Hendriks retired late last year

Once again, congrats to the Bruin Tennis team for carrying on the Wilson tradition of winning

BRUINS • BRUINS • BRUINS • BRUINS • BRU

The 1983-1984 school year was one to remember, with both good and bad memories of the year Throughout the year each sport developes a star player, and this year we would like to recognize them.

Linksters Dominated the Green

Bruins Fly High

The girls' performances were as high as predicted, dominating Moore League and upholding their fine tradition as champions

Junior Class Government

Fall

Spring

Juniors at It Again

This year's Junior Class Government was very busy. The spring semester president, Monique Lawee, am bitiously made this year a memorable one. The biggest goal of Junior Class Government was to raise money for the Senior Prom and to raise money for the rally platform. One of the major fundraisers held was a candy sale in which the whole school got involved. There were also bake sales, bagel sales and carwashes. Their plans for the Spring Fair gave them another chance to get enough money for all their Senior Prom plans. Monque stated, "I have confidence in the members, I know we can accomplish what we plan". Their budget started low but they worked really hard to raise the budget higher. I would like to congratulate the whole Junior Class Government, Fall and Spring officers. You guys really worked hard and It showed

SORTONORIS

Sophomore Class Council

The 1983 Fall Sophomore Council started off great. The outgoing Mr. Anderson was the sponsor of twenty spirited sophomores. They were involved in planning many activities such as Homecoming and bagel sales. The energetic sophomores made our first semester at Wilson fun and successful Kristi Faber, Fall Semester Sophomore President

The Spring Semester Council was very active in raising money for the rally stage. We sold candy bars to raise the money. We also planned a dance at the end of the year. Robin Harrington, Francee Westlund, and Mr. Anderson were also a big help to the Sophomire class a special thanks to them for their help. I hope the Sophomores had a Spring Semester that was as fun as their fall Semester. Stephanie Fernald. Spring Semester Sophomore President.

1. Stephante Fernald takes notes at the council meeting. 2. Stephante takes money for candy sale from Ricky

Administration '84

"By far, the best team I've ever worked with."

Mr Woltovich

That sums up the attitude of our administrators this year. Through dedication, school spirit, and caring attitudes, the Administration gave Wilson the best year ever You could always count on seeing them standing on the front stairs wishing everyone a nice day and giving you a cheery smile

This year there was a unique blend between administrators, teachers, students, parents, and the community. A strong example of this was evident at the Campanile Tower Dedication and Pancake Breakfast

This year we had two new faces come into our administration staff here at Wilson The first of these was Mr. Victor Backstrom, the Sophomore Assistant Principal. Then you have Mr. Keith Hansen, the new Activities Director, whom you can always see participating in some sort of event

Counselors Guide with Pride: New Faces in the Guidance Center

The counselors again gave it their all for Wilson High School this year. Led by head counselor Paul Honey, the team guided students in their educational and occupational interests. New to the staff this year is Mrs. Williams, who is thrilled to be at Wilson Also new, filling in for Mrs. Holzman, Is Ms. Ann Slattery. With such a group of hard working, industrious counselors, how can our student body go wrong. Mrs. Landon always supervised the scholarships and college applications. Mr. Riddick led our working students. Mrs. Holzman is now a roving counselor visiting all five senior high schools. Her new job is to counsel tenth graders. Being appointed to this newly created position is an honor and we should all be proud of her respected accomplishments. Mr. Thomas Bagshaw is completing his twenty-fifth year as a counselor at Wilson. Mr. Bagshaw has a special spirit, and to his close friends, a special sense of humor. We will all remember his long years of service and take pride in having known and worked with him. To one of the finest counseling staffs in California, thank you

- 2 Mrs Landon

Martha Walker

Phyllis Fulton

Dedicated

Gene "Skip" Rolland

Teachers

Emerson Betz

All Wilson teachers are dedicated, but

these four teachers have proven their dedication many times over the years here at Wilson

W Ison meets the needs of the student

body," states

Martha Walker. This is her 35th year here with her much loved sight students. In that 35 year span she somehow found time to coach the

Varsity golf team for nine years

Designing and making her own ethnic clothing is one of Phyllis Fulton's favor te past times. In the 33 years she's been with us here at Wilson, she has taught many different kinds of classes. "Doesn't matter what class I teach, I enjoy it. I like the kids, high school kids keep you young '

Graduate and captain of the football team here at Wilson Gene Skip Rowland went on to teach at his alma mater. Leading his players to many victories and sponsoring the formation of the Wilson "Athletic Hall of Fame" are just a few of Mr. Rowland's most pleasant memories during his 32 years here at Wilson High. "Wilson is the best and most unique high school

Emerson Betz contributed greatly to the newly finished Companile Bell Tower. In the past 28 years of teaching Industrial Arts, Mr. Betz has enjoyed working with his students

Victor Parker

Victor Parker, a fine Wilson student, won a 2000 dollar scholar-ship from the Business Career Development Program earlier this year. Applicants from all five Long Beach high schools were required to compile a written notebook in-

cluding an autobiography, college plans and ambitions. Semi-finalists went on to personal internviews with top Long Beach officials. Victor is also actively involved in volunteer work and runs on the Varsity Track Team.

Peri Hansen

The NCTE Award, National Council Teachers of English, is a most competitive and prestigious award. Peri Hansen, an outstanding student, was the recipient of this award.

As a junior, Perl was selected by her English teacher, Mrs. Polkosnik, to enter this competition, demanding superior writing skills. She was chosen, along with several other Wilson students, to advance to the final competition based upon her respose to an impromptulessay.

In the finals, Peri submitted a response to another impromptu and a prepared sample of her best writing, a short story, originally written for an English assignment. The students were asked to comment on the meaning of the phrase "the quality of life" and refer to two literary figures whose actions supported their thesis

In September, Peri was notified along with other students from around the country, of her National Council Teachers of English award. This academic award was presented with a certificate by her counselor and Mr Eveland. Peri is truly an outstanding example of the academic excellence found at Wilson High School

Amy Stillman

Amy Stillman is yet another Wilson hopeful for the olympic games in the category of Equestrian Riding. Amy has been riding for six years now, and is trying to qualify for the Olympic Team by competing in shows. Next it's on to the Grand Nationals where you are chosen to be on the team or not. This sport is one of the more difficult and it takes a lot of time and dedication. Amy has made riding her top priority, but that doesn't stop her from getting good grades. Her future plans are to at tend U.C. Davis and, of course, keep on riding

The Camponile Editors, Tricia Krause and Tracy Langston, showed our principal, Mr. Ed Eveland the proofs for this year's cover. What a shot! What a look! Waht a cover!

Wilson Staff Sparkles

1. Girls Attendance Clerk Karen Klonsky flashes a big smile after the morning rush of students. 2. Help could always be found in the Guidence Center From left to right. Ls.Juans Rudy (counselor's clerk), Sue Alten (records clerk). Durin Clark (admissional clerk), and Ethel Whelton (counselors' secretary). 3. Diane Glesson. Boys Attendance Clerk, signs another readmit. 4. The Operational Personnel helped keep Wilson in order 5. As the whole school knows if Mrs. Whelton doesn't have the answer to 4 question alse knows where to find it. She has proven her generosity and kindness with all who know has She to truly a Wilson treasure. 6. Beverly Helson, the Vice Principal's secretary, was one of the kindest and most helpful individuals on campus. The yearhook staff owes her a great deal for all of the time she put into helpful on complete this book. 7. Custodian Alverta Golston (left) and Girls Locker Room Attendant Julie Labrecque (right) take a welf-deserved time out.

Welcome Mrs. Porter

We, at Wilson, would like to welcome you to our school. We are proud to have you as our new principal's secretary. We hope you have enjoyed our students, faculty and staff as much as we have enjoyed your always-present smile and optimistic words. We all look forward to many more years of working together

As you close this chapter in your life, we want you to know - WE LOVE YOU - and wish you well in the future. Mom, Dad, and James

433-3439

439-3758

You're the only girl for me. We have a special love that has grown over the years that I will never forget. No matter what happens my love, you will always be the girl I love.

> Your eternal love, Ric

It's been really fun three years here at Wilson. I'm glad we met when we did. Good luck in the future. I hope to remain in touch and good friends.

> Love Always, Ben

Well, this is it. This is what we've worked on, joked about, worried over, fought, cried, and smiled for and here it is: Our dream - now reality. Without everyone working together, it never would have happened. Tracy - we pulled our ideas and got a beautiful cover and book to remember. Randy - without your shoulder I would have never made it through. Thanks for those long talks. Mike, you were there to pull the stuff together at the last minute. We'll all remember "Stevie-Bear" and those great-smelling proofs. Good luck next year, especially Patti and Kim. No book will be as great, in my eyes, as this one, and yours will be the same. Staffers - be proud of all your hard work, and never let anyone take that away from you

Have a great Voyage! Love, Tricia

Another book put to rest! Good job. You've been an outstanding group and you've created a wonderful book. You should be proud of your many fine accomplishments

> Sincerely, Your Fearless Co-Accomplice

Spanish classes travel again

By Budd Barmeyer

All you Mexico fans out there pay attention Mr. Anderson's 7-8 and 9-10 Spanish classes are going to Mexico again this year. On January 14, his class will depart on a trip full of fun and enjoyment until the 16th. Mr. Anderson's annual Mexico trips in the past have been rewarding. The fast two years turned out pretty wel

Mr. Anderson is a teacher here at Wilson in foreign language. In an interview he said," By going on this trip, we hope to gain knowledge of the country and the culture and hope to practice our Spanish in the native country."

The class plans to travel to the famous Bufadora. The legendary Bufadora is where the raging ocean shoots up through a crack in the rocks, passes through a wind tunnel and shoots the water high into the air. This tourist site attracts hundreds of people a day

Only a select 25 people will be able to attend the cultural trip. All students will get there by private cars, most going with friends. The cost will be \$60 per person. This takes care of the room, food being separate.

A new license has its bad times also

By Shawnean MacFaden

Most Wilson students are able to drive or will soon be able to drive. The first thing that comes to mind is, "What kind of car shall I get? Maybe a Camaro, Trans Am, or a Porsche." Then it hits them: "Who is going to pay for it?"

Whether you drive your parents car or your own car, you are still responsible for the many expenses. Some of these expenses are, gas, oil, insurance, and repairs

It seems you become very popular when you find yourself holding a new driver's beense. You can quickly become a local chauffeur. Also, the places you and some of your friends want to go are getting farther and farther away and the gas tank seems to be a "bottomless pit" at the pumps.

The price of insurance seems to never stop and for techagers, the case is even worse feenage drivers are believed to be high risk, even before they are driving

The thing that most students have to think about is the amount of money to be spent on their car when they buy it. Most end up getting a used car, because of the lower prices. Not all, but some used cars are constantly breaking down and need frequent repairs

After going over all of these facts, you must come to your own decision about buying a car, but if you think you can handle the price, then it might be worth the sacrifice Mr. Anderson would like to have parents join the students on the trip. Only a few can attend but they are encouraged to talk to him about it

He is very excited for his classes and thinks it will be very rewarding

He and his classes plan on going to Ensenada, Metico to see the people, their families, and how their society runs. His classes should receive an excellent on the spot education by imaging with the townspeople and shopping in the little clother shops and souvemen shops. In talking with some of the students about the trip, they were very energetic

Some think they should stay longer, but all of them could not wait for three days of solid fun and games with just the right amount of learning and supervision that Mr. Anderson will give them. This trip is something this class will remember all through their lives as a cultural and memorable experience.

Long Beach shows what TV and movie producers want

By Paula Coony

Many people think Long Beach is a boring city with not much to do, and to see. But many producers, and location managers for various television shows, and movies would argue. It is not a very well known fact, that Long Beach has been seen in many movies and T.V. shows, not to mention the numerous settings for commercials filmed in Long Beach. Many times, the city represented is not Long Beach.

One of the most popular settings for movie-making in Long Beach is the Hotel Queen Mary, also a very popular tourist attraction, bringing hundreds of thousands of people through its ticket gates. To name a few of the movies, and T.V. shows filmed on the Queen Mary; "The Godfather II", had a few scenes filmed there, that never made it past the cutting room floor; "The Execution of Private Slovick", with Martin Sheen; "Flashdance" ased the brass doors of the Grand Salon; "The Gumball Rally", "Harry O"; "Poseidon Adventure"; S.O.S. Titanic", "Under the Rainbow"; "Winds of War"; and most recent by, "The Lonely Guy". Steve Martin's latest work

Other local shots, not on the Queen Mary but filmed in Long Beach are a helicopter chase scene in "The A-Team, a helicopter crash scene from "Blue Tounder", a recent show of "Cutter to Houston," Dan Gurney racing through the streets of Long Beach for a Toyota commercial, and a Naptes Island home used to portray the posh setting of "Mail

Houston!

Not only does filming various T.V. and movie settings help to put Long Beach on the map, but, it heips our city's revenue. The firm makers are charged daily for a permit fee, (\$400.00) and each additional day is \$100.00. That doesn't even include how much the average film crew spends on various items such as food. The film company must also have at least one police officer and one fire fighter present at all times of filming, and the film company is responsible for their sataries, often at overtime rates. This is especially important in such cases as falong a car crash on a busy street. This involves quite a few people. The Port of Long Beach handles its own film permits. These rates are lower, \$100.00 for as many days as are necessary. The city received close to \$25,000 in permit fees in '82-'83, and the LBUSD, billed firm companies over \$88,000 for police assistance.

One of the reasons film producers don't go to Hollywood anymore, is because they say Long Beach has a new look. One reason for the new look is all of the constant construction and renovation in our city, especially in the downtown areas. "His Tech" architecture, and new modern "His Rise" buildings, like the new Arco building on Ocean Boulevard are a great attraction, as are Long Beach's long winding streets down by the Shoreline Village, where many of the crash scenes are filmed.

What would Winston Smith think of our 1984? It certainly isn't the nightmare world that Geroge Orwell projected in his classic novel of bureaucratic society gone mad. By contrast our world seems pleasantly mundance. No telescreens watching and listening to our every move but television controlled by the user for entertainment and informational purposes, often tiresome but seldom dangerous. No brainwashing Ministries of Truth, Love and Plenty, but departments of the interior, treasury and foreign affairs, all of which are kept in check by a watchful public and press. Most important, however, is the fact that we have no Big Brother but a person chosen by the people in a general election (which will be held once again this year) who can be removed from his position of power by the same people.

Because people have been waiting anxiously for

this year since Orwell's book first gained notoriety, it has taken on a certain ominous significance. Fortunately for us, the horrifying police state predicted by Orwell has not come to pass-perhaps because his book sent out such strong warning messages. This is not to say that we are without cause to worry. Many facets of our society now seem as obsessed with efficiency and people obsessed with security as Orwell's world did. But at what price will this efficiency and comfort come — a loss of personal freedom and dignity, or will people refuse to give up the fundamental human need for autonomy and integrity?

While all seems clear for us now, we must always be aware of the world around us, because there's always 1985.

About This Book:

Many people have no idea how much work is actually put into compiling a yearbook. Many, many tireless hours, days, weeks and months were spent this year on the publication. Deadlines. were always just around the corner, and we managed to make every one. It has been with the help and understanding of our fine administrative staff, the special favors from teachers and cooperation of our coaches, along with a fantastic new publishing company and representative Steve Eddy, that we ve been able to reach our goals

We take great pride in this yearbook that you are holding This is what we've worked on and planned for since the start of last summer. This is a unique book in many ways. We are the only school in the Long Beach district to ever put together 96 color pages. This year's total number of pages excedes previous years by a full 16 pages, including many new features highlighting Wilson students and special events. The cover was created to depict Wilson with it's strong history and promising future. Without the help of Terry Brill and Jennifer Courdy, the artwork wouldn't be so spectacular

We take great pride in Wilson, and have tried to convey this feeling throughout the preceeding 255 pages. Our goal was to capture the year in pictures and words, and present it in such a way so that everyone who looks at our yearbook would learn what we already knew, what greatness Wilson has had to offer us
